## *Seven Leaders Trained in Palmetto, FL*

The Palmetto Library was the setting for this FIT Training class in Palmetto, FL. On the ends, without certificates, are Board Members Ed White, Geneva Presha, and Fred DeMouey. This wonderful group of sincere and dedicated individuals came from different backgrounds and for different reasons. A few had previously been trained but were coming for a refresher course. One person looked us up on the internet and another was referred by her church. Various churches were represented.

## **FIT Board Size Increased from 9 to 14**

In the photo at the right, taken at the Quarter 4 meeting in Bradenton, the main business was electing the board members who would be carrying forth the work as of January 1.

Shown around the table, left to right, are incoming board members Jim and Lorna Hendrix, continuing board members Beverly Shatterly, Helen Campbell, Don Pratt, Ed White, Fred DeMouey, and new board member William Hassett. Shown on the screen via Skype are Angela Anderson and retiring member Elena Bozzi. Not shown, Don Carter, Ted Gaines, and Joseph Johnsick.
