## What are Peer Facilitators?

Peer facilitators are prison inmates who facilitate our courses to other inmates. They supplement our regular volunteers who cannot always get into the facilities because of travel distances, lock downs, space limitations, or pandemics like COVID. Properly trained and supervised inmate facilitators are ideal because they do not have these limitations, are peers to other inmates, have the time to spend and can teach several classes. Last, but not least, the experience adds to their own personal fulfillment and spiritual development.

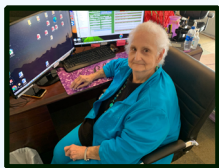

They have to be approved by the chaplain, complete our entire program as a participant, obtain the recommendation of the chaplain, be trained by a certified FIT trainer and approved by the FIT board. Beside this, they are expected to live exemplary lives consistent with mature Christian values and lifestyles.

Your gift can help us provide the support and materials that these folks need to be successful. We are in the process of expanding this service.

Please consider a donation today on our [website](https://familyintegrity.org) at <https://familyintegrity.org> so that we can complete the mission that God has called us to do.

We may be a small organization, but we have big hearts and do a lot of good work.

### We need to hear from you!

What successes are you having in facilitating? Is there anything you can share with us for our newsletter? If you have any issues, let us know. If you don't understand how to use the website, give us a call. Our office hours are 9-2 ET Monday-Thursday. You can email us or leave a phone message at 941.799.4975 or fit@100hour.org any time of day or night.

Now for *nitty, gritty*. Order certificates for your class on the online form on our website. To access it, first click on the "Members" tab and then on the "Order Certificates" button. Fill in all the required information requested. When you reach the last entry box, "Names of Graduates", type in their names with only one person per line.

Don't you hate it when you call a company and wish you could talk to a live person? We may be very limited financially, but you don't have to wait when you call during office hours. Betty will be there to answer your questions and take care of your needs.

She is very efficient and meticulous, not to mention kind and caring. If you want an answer, call me. If you want a good answer, call her!

Speaking of limitations, we would love to expand our office hours for even better service. I am asking you to please consider making a monthly contribution so that we would be able to do that. The best way to do that is to set a recurring payment through your local bank. They take it out every month so you don't have to worry about mailing anything or missing a payment because you forgot it. This service usually doesn't cost you anything and you will have complete control over when to start or stop your payments.

Do you know anyone who has a heart for our program and would like to become a part of the FIT family? Have them go to our web page and sign up for our leader training on August 6. That way they can learn about what we have to offer and get trained in how to effectively use our materials in their ministry.

**B**onus for this training: register and get a free 105-page Leader Handbook printable link. The printed book will also be available for \$20.
