Spring Fundraiser
From noon April 9 until noon April 10

Our time is arriving to invest in our ministry to others! We will have a matching grant situation which will assist us in meeting our goal of \$5,000. This money goes into Student Guides, Facilitator Guides, certificates, mailing costs and the people who diligently work to keep our ministry active in reaching those we serve. Please set the dates and give heartily to the ministry we love!

For those who are unable to give online, the office will be available to take your donation during our business hours.

Goal: \$5,000

What a Year!

1,557 Course Completions and Certificates, 108 Facilitator Guides and 1,261 Student Guides sent out, 36 new Facilitators and 15 new Peer Facilitators trained, 92 active members, not to mention other notables! Our office days increased from Monday thru Thursday to Monday thru Friday, updates in our important computer applications, 2 new Spanish Books at a cost of over \$2500, and almost \$9,000 spent for free books for use in our classes! God is good!

When I think of the time spent in processing our certificates, updating the tracking database, the cost of mailing, keeping up with our finances, answering questions and sending out additionally requested documents, my mind explodes with all this complexity! I am thankful for Don, Betty and Karen for keeping the FIT gears going! What a team! Thank you for your work!

I have looked at our goals and I believe they are attainable. We need more to impact those we haven't reached! Those who care have impacted others who are overlooked. I listened to a group this morning and sensed their lives will be different when they get out! I listen to their prayers and am humbled when they thank God for us!

In closing, we need three things from you: your commitment to care, love and reach others with God's love; prayer that we will reach out and grow in our ministry to others; support for our organization. In reaching our fundraising goals, we will keep our lights on, provide support to you and those you reach and continue to provide God's love to more who haven't found it yet.
